2. Eligible Clients will have the chance to enter the “**Competition**” during the “**Competition Period**”.
3. The total number of the winners of the “**Competition**” will be two hundred (200).
4. For the purposes of the “**Competition**” the Ranking Categories are described as follows:
 - a) “**Overall Winners**”: This Ranking Category is ranked by combining the overall performance achieved during the “**Competition Period**” by each Eligible Client in all three (3) Ranking Categories (i.e. “*Most Net Pips*”, “*Most Profit in Absolute Value*” and “*Most Profitable trades*”).

The points for this Ranking Category are calculated as follows:

Examples:

- Eligible Client A performance: 2nd in the 1st Ranking Category, 4th in the 2nd Ranking Category and 5th in the 3rd Ranking Category; Eligible Client has 11 points (i.e. $2 + 4 + 5 = 11$) in the “**Overall Winners**” Ranking Category.
- Eligible Client B performance: 1st in the 1st Ranking Category, 8th in the 2nd Ranking Category and 15th in the 3rd Ranking Category; Eligible Client has 24 points (i.e. $1 + 8 + 15 = 24$) in the “**Overall Winners**” Ranking Category.
- Eligible Client C performance: 3rd in the 1st Ranking Category, 1st in the 2nd Ranking Category and 3rd in the 3rd Ranking Category; Eligible Client has 7 points (i.e. $3 + 1 + 3 = 7$) in the “**Overall Winners**” Ranking Category.

According to the above values, the winner in the “*Overall Winner*” Ranking Category is the Eligible Client C who is in 1st place with 7 points, Eligible Client A is in the 2nd place with 11 points and Eligible Client B is in the 3rd place with 24 points.

- b) “**Most Net Pips**”: This Ranking Category ranks Eligible Clients by how many Pips they gained/lost for every trade made. The top-ranked Eligible Client achieves the highest number of non-volume weighted net Pips during the “**Competition Period**”.

The points for this Ranking Category are calculated as follows:

Example:

An Eligible Client has the below closed trades:

- Buy 1 lot EUR/USD closed with a profit of USD 10 (open price 1.12011 close price 1.12021) → +1 pip.
- Sell 1 lot EUR/USD closed with a profit of USD 20 (open price 1.12021 close price 1.12001) → + 2 pips.
- Buy 10 lot EUR/USD closed with a loss of USD -100 (open price 1.12011 close price 1.12001) → -1 pip.

Hence, pursuant to the above values, the Eligible Client who has net 2 pips market movement (i.e. $1 + 2 - 1 = 2$) achieves the highest number of non-volume weighted net pips in this category.

- c) “**Most Profit in Absolute Value**”: This Ranking Category ranks the most profitable Eligible Client by the amount of profit made on their trades (i.e., the most profitable client). The top-ranked Eligible Client will be the Client who has generated the highest net profit during the “**Competition Period**”.

The points for this Ranking Category are calculated as follows:

Example:

An Eligible Client has the below closed trades:

- Buy 1 lot EUR/USD closed with a profit of USD 10 (open price 1.12011 close price 1.12021) → 10

USD.

- Sell 1 lot EUR/USD closed with a profit of USD 20 (open price 1.12021 close price 1.12001) → 20 USD.
- Buy 1 lot EUR/USD closed with a loss of USD -10 (open price 1.12011 close price 1.12001) → -10 USD.

In this Ranking Category, the Eligible Client who has a net profit of USD 20 (i.e. $10 + 20 - 10 = 20$) generates the highest net profit in this Category.

- d) **“Most Profitable trades”**: This Ranking Category ranks the overall profitable trades made by Eligible Clients. The top-ranked Eligible Client will be the Client who has closed the most profitable trades during the **“Competition Period”**.

The points for this Ranking Category are calculated as follows:

Example:

The Eligible Client has the below closed trades:

- Buy 1 lot EUR/USD closed with a profit of USD 10 (open price 1.12011 close price 1.12021) → 1 point.
- Sell 1 lot EUR/USD closed with a profit of USD 20 (open price 1.12021 close price 1.12001) → 1 point.
- Buy 10 lot EUR/USD closed with a loss of USD -100 (open price 1.12011 close price 1.12001) → 0 points.

In this Ranking Category, the Eligible Client who has 2 points (1 point for every profitable trade), achieves the most profitable trades.

5. The winners of the **“Competition”** for the following three (3) ranking categories are as follows:
- a) **“Overall Winners”**: five (5) winners (i.e., Eligible Clients who have the highest ranking in the **“Most Net Pips”** Ranking Category, the **“Most Profit in Absolute Value”** ranking category **and** the **“Most Profitable Trades”** Ranking Categories combined during the **“Competition Period”**);
 - b) **“Most Net Pips”**: ten (10) winners (i.e., Eligible Clients who have the highest number of net Pips during the **“Competition Period”**); **and**
 - c) **“Most Profit in Absolute Value”**: one hundred eighty-five (185) winners (i.e., Eligible Clients who have the highest net profit during the **“Competition Period”**).

Please note that there are no winners for the **“Most Profitable Trades”** Ranking Category, but the performance of the Eligible Clients in this Category will be taken into account for awarding the winners in the **“Overall Winners”** Ranking Category (i.e., the **“Overall Winners”** is ranked by combining the ranking achieved by each Eligible Client in all three (3) Ranking Categories described above).

6. The total two hundred (200) winners will be chosen based on their performance, as described herein, after the end of the **“Competition Period”**.
7. The winners will be announced on the 10th of November 2022.
8. The winners will be notified via email after the end of the **“Competition Period”** regarding the details of their prize.
9. Please note that the winners of the **“Overall Winners”**, **“Most Net Pips”** and **“Most Profit in Absolute Value”** Ranking Categories will be selected based on the value of all the decimals of their trades/positions during the **“Competition Period”**.
10. In case that two (2) or more Eligible Clients have the same score/ranking, then the prize will be

awarded to the Eligible Client who has reached the said score/ranking first. For example, for the “**Most Profit in Absolute Value**” Ranking Category, in case that two (2) Eligible Clients have an equal number of most profit in absolute value and their reached profit number is the highest, then the first prize will be awarded to the Eligible Client who has reached the highest number of profit in absolute value first, whereas the Eligible Client who has reached the said number at a later stage will be awarded the second prize.

11. By accepting the terms and conditions of the “**Competition**”, the winners who win the prizes described in the clause C.1 and/or in the Table A, Table B and Table C above, agree and consent to taking photographs and making a testimonial, as may be requested by XMTrading. The winners agree that XMTrading has the right to use the images resulting from the photography/video filming to only such extent as stipulated in these terms and conditions. The latter may include, but is not limited to, XMTrading’s right to use the above-mentioned material for publication purposes on XMTrading’s website and social media. Each participant has the right to withdraw their consent for processing of personal data and the material mentioned above at any time. However, such a withdrawal may, at the reasonable discretion of XMTrading, result in the removal of the winner’s entitlement to the prizes.
