

CAMPAIGN-REBATES PROGRAM

CAMPAIGN-REBATES PROGRAM

1. Acknowledgments and Confirmations

By accepting to participate to the Campaign-Rebates Program (the "Program"), you confirm that you understand, acknowledge and accept the following:

1. The Introducer, through which you registered a trading account with the Company, via a dedicated link, may share part of his/her Commission generated according to the Introducer's Agreement he/she has with the Company, with you ("Rebates"), in view of your participation to the Program. The Rebate amount will be credited (added) to your "MyWallet" as balance, on a daily basis, as determined by the Company and according to the payment cycle applied to the Introducer.
2. As a result of the above payment, these credited funds will become available in your "MyWallet". Such funds shall be either available for withdrawal once transferred to your trading account(s) or may be transferred into any of your active trading account(s) for trading purposes.
3. The Introducer may offer more than one Campaign-Rebate Programs, and each Program may have different terms, conditions and specifications regarding the Rebate amount that is paid to Campaign Handlers.
4. Rebates is a percentage/amount of the Commissions earned based on the respective Introduced Client's trading activity, as determined in the specific Program that the specific trading account participates to (i.e. it depends on the financial instrument on which the Introduced Clients trade on and the specifications of the Program that the Campaign Handler participates to).
5. The terms, conditions and specifications of the said plan are solely determined by the Introducer and may be amended, at Introducer's sole discretion, without prior notice given to you. It is hereby clarified that the configuration of the campaign-rebates functionality and the respective terms, conditions and specifications of such payments is the sole responsibility of the Introducer, as the Company does not interfere in any way to the determination of the percentage/amount and/or any other terms, conditions and specifications set out by the Introducer.
6. Without prejudice to any other provision herein, the Company is not a party of the relationship between you and the Introducer, it shall only facilitate the payment of such amounts (i.e. Rebates) into your "MyWallet" and is not in any other way involved with the campaign-rebate plan that the Introducer offers at his/her sole discretion.
7. The payment of Rebates shall be made to your "MyWallet" (accessible via your Member Area), registered under the Program, provided that the generated Introducer's Commission is not the result of Fraud Traffic and/or of any trading activity that is in violation of our Company's Terms and Conditions of Business or the Introducers' Agreement, which govern the business relationship between you and the Company and the business relationship between the Introducer and the Company, respectively.
8. Should the trading activity/behavior on your trading account(s) be detected violating the Company's Terms and Conditions of Business and/or the Introducers' Agreement or should the Commissions generated relate to allegedly fraudulent accounts or should you be found using strategies aimed at deriving profit from Introducer's Commissions and Rebates to the detriment of legitimate trading, the Company reserves the right to cancel the Commissions generated from such accounts and exclude you from participating to the Program.
9. Numerous 'buy' and/or 'sell' transactions on any financial instruments and any other trading patterns which indicate that such transactions are carried out by you with the sole aim of generating Commissions are considered as transactions conducted in collusion with the Introducer and/or the Introduced Client, even if your information (such as IP address, contact details, etc.) does not have any direct intersection with the

Introducer and/or the Introduced Client. The Commissions as well as the Rebates derived from such transactions will be cancelled and the respective payment to the Introducer and/or the Campaign Handler shall not be made. The Company also reserves the right to terminate the business relationship with you and/or the Introducer and/or the Introduced Client.

10. In the case that a credit/debit card chargeback request is submitted by you, all Rebate amounts shall be cancelled.
11. You hereby acknowledge and accept that the Company may adjust/re-adjust the Commission structure of the Introducer, at its sole and absolute discretion. You further acknowledge and accept that the latter may potentially affect the Rebates that are payable to you by the Introducer and confirm that it is the Introducer's sole responsibility to regularly review and monitor the relevant Commission structure.
12. You hereby acknowledge and confirm that this Program is discretionary and the Company reserves the right to terminate this functionality at any time with prior notice to the Introducer.

2. Redemption of rebates into trading account:

13. You may select to redeem a partial amount or the entire balance available in your "MyWallet" and/or transfer it into any of your active trading account(s). Such amount shall be immediately credited into your chosen trading account(s).
14. Minimum amount to be transferred from the "MyWallet" to your trading account is set to USD 20 or the entire remaining balance. Assuming, for example, that the available balance in your "MyWallet" is USD 50, you can transfer the minimum amount of USD 20 from your available balance. Assuming, thus, that your "MyWallet" available balance is USD 10 (or any amount under USD 20), you can transfer the entire balance.
15. Full history of transactions made from the "MyWallet" into any of your active trading account(s) can be viewed from your Member's Area.

3. Dormant and Archiving Policy:

16. In the event that there is no activity (i.e., log in/ trading/ withdrawals/ commissions generated/ deposits/ internal transfers to trading accounts) in the "MyWallet" linked with the Campaign Handler trading account for a set period of at least three (3) consecutive months, the Company will regard the trading account and the "MyWallet" to be 'dormant'. Trading accounts and "MyWallet" shall be deemed as dormant by the last day of the three (3) consecutive months in which there has been no activity (i.e., log in/ trading/ withdrawals/ commissions generated/ deposits/ internal transfers to trading accounts) in them.
17. Dormant trading accounts and "MyWallet" will be charged with a monthly dormant fee of USD 10 (ten United States Dollars) or the full amount of the generated commissions and/or available balance, if the available commissions/balance are less than USD 10 (ten United States Dollars). There will be no charge if there are no generated commissions/balance available in the "MyWallet" and/or trading account (i.e., zero balance).
18. It shall be noted that when your last trading account goes archived you may lose access to your "MyWallet" as well as to all remaining balance contained therein.
19. You hereby acknowledge and confirm that in case you opt for the creation of a new trading account after former trading accounts have been archived, you shall forfeit all rights to any future rewards deriving from the Rebates Program that you would otherwise be eligible to receive as balance and/or credit in your "MyWallet".
20. "MyWallet" are subject to all the restrictions applied to the Introducer and/or to the Campaign Handler's and/or the Introduced Clients' trading accounts (e.g., the balance of a "MyWallet" of a blocked client will be

adjusted) as these are stated in this Addendum and/or in the Introducers' Agreement and/or in the Terms and Conditions of Business/Client Agreement.

4. Restrictions

21. Information about Introduced Clients' trading activity/operations or their personal details are not shared with the Introducer.
22. For the avoidance of any doubt, it is not considered that the Introduced Client has established a relationship with the Introducer and/or the Campaign Handler if such Client had already entered into an agreement with the Company, without registering through Introducer or the Campaign Handler.
23. The Company shall, under no circumstances, be held liable for any actions and/or omissions of the Introducer and/or the Campaign Handler that resulted in violation of the provisions of the Introducers' Agreement and/or of the Terms and Conditions of Business and/or of this Addendum and, and shall not reimburse the Introducer and/or the Campaign Handler for any loss occurred from such action and/or omission.
