## TERMS AND CONDITIONS - XM CHAMPIONS OF TRADING COMPETITION 2021

### A. Introduction

1. XM Global Limited operating under the trading name XM is a Securities Service Provider Licensee regulated and authorised by the International Financial Services Commission (“IFSC”) in Belize under the License Number 000261/158 (hereinafter called the “Company” or “XM”).
2. The “**XM Champions of Trading Competition 2021**” (hereinafter the “**Competition**”) Terms and Conditions is an integral part of the “**XM Business Terms and Policies**” and provisions set herein are considered as an annex of all “**XM Business Terms and Policies**”.

### B. Conditions of Eligibility

4. Eligible Clients have to register their interest to participating in the “**Competition**” from **13<sup>th</sup> of July 2021** until **28<sup>th</sup> of July 2021**. The registration of interest to participate **does not** automatically mean registration for the “**Competition**”. The client opens a trade of standard lot of EUR / USD with leverage 500:1 and required margin EUR 200. Since, EUR 100 of the requested margin is bonus (i.e. 50% of EUR 200), only the 0.5 lot of the client’s trade is eligible for the “**Competition**”.
7. The “**Competition**” is valid for the period **28<sup>th</sup> July 2021 - 31<sup>st</sup> August 2021** (“**Competition Period**”).

The data is collected and processed only to such extent, which is necessary to administer and run the “**Competition**”. The Company shall disclose any data about registrants only to the extent stipulated in these terms and conditions. Each registrant has the right to withdraw their consent for processing of personal data at any time. However, such a withdrawal may at the reasonable discretion of the Company result in the disruption, suspension or termination of the participant’s registration in the “**Competition**”.

10. The “**Competition**” is permitted for the real accounts of a single client using a unique IP address. Multiple registrations of real accounts from the same IP address are not permitted.
11. Participation of “**Intermediaries/Related Parties**” in the “**Competition**” is prohibited. If the registration and / or trading data of a participant in the “**Competition**” corresponds with the registration and / or trading information, including but not limited to IP address, of another participant in the “**Competition**”, XM reserves the right to regard this matching as a reason for immediate disqualification. For the purposes hereof, the term “**Intermediary(ies)/Related Party(ies)**”, when used in these Terms & Conditions, unless the context otherwise requires, shall mean to include any person or entity bearing a relationship with any participant in the “**Competition**”, including, without limitation:
- a) family members, such as brothers, sisters, spouses, ancestors, lineal descendants and collateral descendants;
  - b) person or entity, whom any participant in the “**Competition**”, directly or indirectly, through one or more intermediaries, controls, or whom, directly or indirectly, through one or more intermediaries, is controlled by, or is under common control with any participant in the “**Competition**”; for purposes of this definition, the term “**control**” (including, with correlative meaning, the terms “**controlled by**” and “**under common control with**”), as used with respect to any participant in the “**Competition**”, shall mean the possession, directly or indirectly through one or more intermediaries, of the power to direct or cause the direction of management policies of such person or entity, whether through ownership of voting securities or otherwise.

2. Eligible Clients will have the chance to enter the “**Competition**” during the “**Competition Period**”.
3. The total number of the winners of the “**Competition**” is twenty-five (25).
4. For the purposes of the “**Competition**” the Ranking Categories are described as follows:
  - a) “**Overall Winners**”: This Category is ranked by combining the rankings achieved during the “**Competition Period**” by each Eligible Client in all three (3) Ranking Categories (i.e. “**Most Net Pips**”, “**Most Profit in Absolute Value**” and “**Most Profitable trades**”).  
The points for this Ranking Category are calculated as follows:

**Examples:**

- *Eligible Client A position:* 2<sup>nd</sup> in the 1<sup>st</sup> category, 4<sup>th</sup> in the 2<sup>nd</sup> category and 5<sup>th</sup> in the 3<sup>rd</sup> category; Eligible Client has 11 points (i.e.  $2 + 4 + 5 = 11$ ) in the overall category.
- *Eligible Client B position:* 1<sup>st</sup> in the 1<sup>st</sup> category, 8<sup>th</sup> in the 2<sup>nd</sup> category and 15<sup>th</sup> in the 3<sup>rd</sup> category, Eligible client has 24 points (i.e.  $1 + 8 + 15 = 24$ ) in the overall category.
- *Eligible Client C position:* 3<sup>rd</sup> in the 1<sup>st</sup> category, 1<sup>st</sup> in the 2<sup>nd</sup> category and 3<sup>rd</sup> in the 3<sup>rd</sup> category, Eligible Client has 7 points (i.e.  $3 + 1 + 3 = 7$ ) in the overall category.

According to the above values, the winner in the “**Overall Winner**” Ranking Category is the Eligible Client C who is in 1<sup>st</sup> place with 7 points, Eligible Client A is in the 2<sup>nd</sup> place with 11 points and Eligible Client B is in the 3<sup>rd</sup> place with 24 points.

- b) “**Most Net Pips**”: This Ranking Category ranks Eligible Clients by how many Pips they gained/lost for every trade made. The top-ranking competitor will be the Eligible Client who gained the highest number of non-volume weighted net Pips during the “**Competition Period**”.  
The points for this Ranking Category are calculated as follows:

**Example:**

An Eligible Client has the below closed trades:

- Buy 1 lot EUR/USD closed with a profit of USD 10 (open price 1.12011 close price 1.12021) → +1 pip.
- Sell 1 lot EUR/USD closed with a profit of USD 20 (open price 1.12021 close price 1.12001) → + 2 pips.

- Buy 10 lot EUR/USD closed with a loss of USD -100 (open price 1.12011 close price 1.12001 ) → -1 pip.  
Hence, pursuant to the above values, the Eligible Client has net 2 pips market movement (i.e.  $1 + 2 - 1 = 2$ ), thus, he/she has 2 pips in this category.
- c) **“Most Profit in Absolute Value”**: This Ranking Category ranks the most profitable Eligible Client by the amount of profit/loss made on their trades (most profitable client). The top-ranking competitor will be the client who has generated the highest net profit during the **“Competition Period”**.  
The points for this ranking category are calculated as follows:

**Example:**

An Eligible Client has the below closed trades:

- Buy 1 lot EUR/USD closed with a profit of USD 10 (open price 1.12011 close price 1.12021) → 10 USD.
- Sell 1 lot EUR/USD closed with a profit of USD 20 (open price 1.12021 close price 1.12001) → 20 USD.
- Buy 1 lot EUR/USD closed with a loss of USD -10 (open price 1.12011 close price 1.12001) → -10 USD.

In this Ranking Category, the above Eligible Client has a net profit of USD 20 (i.e.  $10 + 20 - 10 = 20$ ).

- d) **“Most Profitable trades”**: This Ranking Category counts all profitable trades made by Eligible Clients. The top-ranking competitor will be awarded to the client who has closed the most profitable trades during the **“Competition Period”**.  
The points for this Ranking Category are calculated as follows:

**Example:**

The Eligible Client has the below closed trades:

- Buy 1 lot EUR/USD closed with a profit of USD 10 (open price 1.12011 close price 1.12021) → 1 point.
- Sell 1 lot EUR/USD closed with a profit of USD 20 (open price 1.12021 close price 1.12001) → 1 point.
- Buy 10 lot EUR/USD closed with a loss of USD -100 (open price 1.12011 close price 1.12001) → 0 points.

In this Ranking Category the Eligible Client will have 2 points (1 point for every profitable trade), more in the ranking.

5. The winners of the **“Competition”** for the following three (3) Ranking Categories are as follows:

- a) **“Overall Winners”**: five (5) winners (Eligible Clients who have the highest ranking in the **“Most Net Pips”**, **“Most Profit in Absolute Value”** and **“Most Profitable Trades”** Ranking Categories combined during the **“Competition Period”**);
- b) **“Most Net Pips”**: ten (10) winners (Eligible Clients who have the highest number of net Pips during the **“Competition Period”**); and
- c) **“Most Profit in Absolute Value”**: ten (10) winners (Eligible Clients who have the highest net profit during the **“Competition Period”**).

Please note that there are no winners for the **“Most Profitable Trades”** Ranking Category, but the performance of the Eligible Clients in this category will be taken into account for awarding the winners in the **“Overall Winners”** Ranking Category (i.e. the **“Overall Winners”** is ranked by combining the ranking achieved by each Eligible Client in all the three (3) ranking categories described above).

6. The twenty-five (25) winners will be chosen based on their performance, as described herein, after the

end of the “**Competition Period**”, on the 31<sup>st</sup> of August 2021.

7. The twenty-five (25) winners will be announced on the 7<sup>th</sup> of September 2021.
8. The winners will be notified via email and/or telephone by their Account Managers as soon as possible, after the end of the “**Competition Period**” regarding the details of their prize.
9. In case that any of the winners of the above-mentioned four (4) Ranking Categories is a True New Depositing Client (TNDC) of a Company’s Affiliate, the Affiliate will be rewarded with USD 200 (or currency equivalent) for each winning performance of his/her TNDC as balance in his/her XM affiliate account provided that the Affiliate also resides in Thailand or Laos. That is, in case a TNDC of a Company’s Affiliate is a winner in two (2) Ranking Categories, then the Affiliate will generate USD 200 reward for each winning performance of his/her TNDC and thus will generate USD 400 (or currency equivalent) as balance in his/her XM Affiliate account.
10. Please note that the winners of the “*Overall Winners*”, “*Most Net Pips*” and “*Most Profit in Absolute Value*” Ranking Categories will be selected based on the value of **all** the decimals of their trades/positions during the “**Competition Period**”.
11. In case that two (2) or more Eligible Clients have the same score/ranking, then the prize will be awarded to the Eligible Client who has reached the said score/ranking first. For example, for the “*Most Profitable Trades*” Ranking Category, in case that two (2) Eligible Clients have an equal number of most profitable trades and their reached number is the highest, then the first prize will be awarded to the Eligible Client who has reached the highest number of most profitable trades first whereas the Eligible Client who has reached the said number at a later stage will be awarded the second prize.
12. By accepting the terms and conditions of the “**Competition**”, the winners who will win the prizes described in the clause C.1 and/or in the Table A and Table B above agree and consent to taking photographs and making a testimonial, as may be requested by XM. The winners agree that XM has the right to use the images resulting from the photography/video filming to only such extent as stipulated in these terms and conditions. The latter may include, but is not limited to, XM’s right to use the above-mentioned material for publication purposes on XM’s website and social media. Each participant has the right to withdraw their consent for processing of personal data and the material mentioned above at any time. However, such a withdrawal may, at the reasonable discretion of XM, result in the removal of the winner’s entitlement to the prizes.
